

**PROCEEDINGS OF THE BROWN COUNTY**  
**PUBLIC SAFETY COMMITTEE**

Pursuant to Section 19.84 Wis. Stats., a regular meeting of the **Brown County Public Safety Committee** was held on Wednesday, January 6, 2010 in Room 200 of the Northern Building – 305 East Walnut Street, Green Bay, WI

---

**Present:** Carole Andrews, Bill Clancy, Tom DeWane, Andy Nicholson,  
Andy Williams

**Also Present:** Tom Hinz, Jayme Sellen, John Luetscher  
John Zakowski, Susan Tilot, John Gossage, Don Hein  
Jim Nickel, Cullen Peltier, Bob Heimann  
Supervisor Mike Fleck  
Lieutenant Mike Nick, Green Bay Police Dept.  
Other Interested Parties

---

**I. Call Meeting to Order:**

The meeting was called to order by Chairman Andy Nicholson at 5:02 p.m.

**II. Approve/Modify Agenda:**

Items were taken out of order, although shown in proper format here.

**Motion made by Supervisor DeWane and seconded by Supervisor Andrews to approve the agenda as amended. MOTION APPROVED UNANIMOUSLY**

**III. Approve/Modify Minutes of October 20, 2009 and December 3, 2009:**

**Motion made by Supervisor DeWane and seconded by Supervisor Clancy to approve. MOTION APPROVED UNANIMOUSLY**

**1. Review Minutes and Reports of:**

- a. Criminal Justice Coordinating Board (11/24/09)
- b. Emergency Medical Services (12/16/09)
- c. Fire Investigation Task Force General Membership (12/3/09)
- d. Fire Investigation Task Force Board of Directors (11/12/09)
- e. FoxComm Fiscal Advisory Board (10/1/09)

**Motion made by Supervisor Andrews and seconded by Supervisor DeWane to suspend the rules and receive and place on file items 1, a, b, c, d, and e together. MOTION APPROVED UNANIMOUSLY**

**District Attorney:**

**2. Monthly Drug Criminal Complaint Numbers (standing item):**

John Zakowski and Susan Tilot addressed the committee, distributing demographic figures for December 2009, along with a list of criminal drug charges filed in the month of December (both attached).

**Motion made by Supervisor DeWane and seconded by Supervisor Andrews to receive and place on file. MOTION APPROVED UNANIMOUSLY**

3. **Budget Adjustment Request (#09-137): Increase in expenses with offsetting increase in revenue (see attached for details):**

This request is to reallocate from one account to another within the major budget classifications.

**Motion made by Supervisor Andrews and seconded by Supervisor Williams to approve. MOTION APPROVED UNANIMOUSLY**

**Public Safety Communications:**

4. **Grant Application Review (#09-46): Homeland Security – HS NIMS and ICS Training (2008):**

Cullen Peltier indicated that this grant is no longer available.

**Motion made by Supervisor DeWane and seconded by Supervisor Andrews to receive and place on file. MOTION APPROVED UNANIMOUSLY**

5. **Budget Status Financial Report for November, 2009:**

Jim Nickel highlighted the financial report included in packet material, stating that the budget is in line.

**Motion made by Supervisor DeWane and seconded by Supervisor Andrews to receive and place on file. MOTION APPROVED UNANIMOUSLY**

6. **Budget Adjustment Request (#09-131): Increase in expenses with offsetting increase in revenue (see attached for details):**

Peltier stated that this budget adjustment request will be used for purchase of VHS radios in Hobart, Howard, and Wrightstown.

**Motion made by Supervisor DeWane and seconded by Supervisor Andrews to approve. MOTION APPROVED UNANIMOUSLY**

7. **Director's Report:**

Jim Nickel distributed a written report (attached), highlighting activities during the last reporting period. It includes information related to handling of calls during the December 8<sup>th</sup> blizzard, the new computer aided dispatch (CAD) system, Foxcomm Termination Costs, Radio Consultant RFP, Radio Interoperability Project, Oneida Dispatch Change, Personnel, and Overtime. Please see attachment for details.

Nickel also addressed information related to hours of overtime, pointing out a substantial decrease since 2004, PSC call volumes, in addition to a copy of a Public Notice from the Federal Communications Commission. This notice reminds interested parties of deadlines for private land mobile radio services to migrate to narrowband technology. Please see attachment for details.

**Motion made by Supervisor Clancy and seconded by Supervisor Andrews to receive and place on file. MOTION APPROVED UNANIMOUSLY**

**Sheriff:**

8. **Key Factor Report Jail Average Daily Population by Month and Type for the Calendar Year 2009:**

Don Hein highlighted statistics from the Key Factor Report included in packet material.

**Motion made by Supervisor DeWane and seconded by Supervisor Andrews to receive and place on file. MOTION APPROVED UNANIMOUSLY**

9. **Budget Status Report and Budget Performance Report for November, 2009:**  
Mr. Hein reported that overall expenses are within budget with 90% spent through November. A proposed budget adjustment is expected to reallocate under-spending in some areas to offset overtime.

Overall, revenues are running under budget, some due to grant revenue and year-end transfers not yet recorded, but the majority due to jail federal inmate boarding revenues. Huber inmate revenue and local municipal jail charges are running lower than anticipated.

**Motion made by Supervisor DeWane and seconded by Supervisor Andrews to receive and place on file. MOTION APPROVED UNANIMOUSLY**

***#'s 10 & 11 discussed together***

10. **Ordinance re: To create Sec. 30.09 of the Brown County Code entitled "Purchase and Sale of Scrap Metal". (*Motion at December Public Safety: Hold for one month*):**
11. **Ordinance re: To create Sec. 30.08 of the Brown County Code entitled "Pawn Brokers and Secondhand Article and Jewelry Dealers". (*Motion at December Public Safety: Hold for one month*):**

Lieutenant Mike Nick of the Green Bay Police Department was present to address requests for Brown County to create ordinances titled, "Purchase and Sale of Scrap Metal" (#10), in addition to a request to create an ordinance related to "Pawn Brokers and Secondhand Article and Jewelry Dealers" (#11).

A power point presentation was given explaining the NEWPRS system. This system has been implemented to track individuals who are attempting to sell stolen property. Lieutenant Nick explained that although the State has required that all resale shops use a property transaction form, it was found to be time consuming. The NEWPRS system offers a report of daily transaction records electronically. The budget for this program is \$2,500 annually. Several municipalities throughout the state are interested in the program, including Milwaukee County. As of this date, there are over 175,000 items in the system. There have been 58 arrests since the onset of the program.

*Supervisor Williams arrived 6:25 p.m.*

When asked why it is important for Brown County to enact this program by Corporation Counsel, John Luetscher, Lieutenant Nick responded that the system will provide state coverage and cooperation throughout all municipalities in the County and State, and further. When asked about the level of cooperation with area businesses, Nick stated that it is good, that many businesses here and throughout the State are volunteering to input information into the system, thus helping law enforcement.

Luetscher stated that the "Scrap Metal Ordinance" which is drafted on the basis of State law requiring electronic recording needs finalization and asked that it be held for one month.

**#10 - Motion made by Supervisor DeWane and seconded by Supervisor Andrews to hold creation of an ordinance related to "Purchase and Sale of Scrap Metal" for one month for finalization of changes.**  
**MOTION APPROVED UNANIMOUSLY**

Mr. Luetscher distributed a draft ordinance (attached) related to #11 – Pawn Brokers and Secondhand Article and Jewelry Dealers, containing changes to that originally seen by the committee. He asked that it be approved with changes. Although the changes have not been formally made, Lieutenant Nick stated he has seen errors that were highlighted, and had no issue with approval.

**#11 - Motion made by Supervisor DeWane and seconded by Supervisor Andrews to approve creation of an ordinance related to "Pawn Brokers and Secondhand Article and Jewelry Dealers", with changes made by Corporation Counsel. MOTION APPROVED UNANIMOUSLY**

12. **Budget Adjustment Request (#09-144): Reallocation of personnel services and fringe benefits to another major budget classification except contracted services, or reallocation to personnel services and fringe benefits from another major budget classification except contracted services (see attached for details):**

Based on 2009 year-end projections, expense accounts will exceed budgeted amounts while other expense accounts will finish the year well under budget. In order to cover the overages, the adjustments proposed will reallocate budget dollars while not changing the total amount of budgeted expenses. The largest of the proposed adjustments increases overtime. This budget adjustment will bring the budgeted overtime figure closer to the actual amount without adding any budgeted expenses.

**Motion made by Supervisor Clancy and seconded by Supervisor Andrews to approve. MOTION APPROVED UNANIMOUSLY**

13. **Sheriff's Report:**

**Motion made by Supervisor DeWane and seconded by Supervisor Clancy to receive report. MOTION APPROVED UNANIMOUSLY**

**Clerk of Courts**

**14. Budget Status Financial Report for November, 2009:**

**Motion made by Supervisor DeWane and seconded by Supervisor Andrews to receive and place on file. MOTION APPROVED UNANIMOUSLY**

**Circuit Courts:** No agenda items

**Medical Examiner:** No agenda items

**Teen Court:** No agenda items

**Other:**

**15. Audit of Bills:**

**Motion made by Supervisor Andrews and seconded by Supervisor Clancy to approve audit of bills. MOTION APPROVED UNANIMOUSLY**

**16. Such other Matters as Authorized by Law: None**

**Motion made by Supervisor Andrews and seconded by Supervisor Clancy to adjourn at 6:25 p.m. MOTION APPROVED UNANIMOUSLY**

Respectfully submitted,

Rae G. Knippel  
Recording Secretary

## Director's Report January 6, 2010

### 1. December Blizzard

During the December Blizzard that hit late Tuesday, December 8<sup>th</sup>, the team did a good job of handling many more incidents than normal. Some numbers are below:

12/6 469 incidents  
12/7 518 incidents  
12/8 725 incidents  
12/9 840 incidents  
12/10 825 incidents  
12/11 738 incidents  
12/12 487 incidents

### 2. New Computer Aided Dispatch (CAD) System

Brown County's new CAD system has been formally accepted after the successful 30-day acceptance period. Training has been completed.

Communications Center Supervisors, Hans Lux and Joe Massie, have been busy revising the common names database. This effort has removed over 15,000 outdated entries and revised countless others. The updating of other databases continues. Now that our team has control over the CAD system, we can make these changes that will positively impact our ability to assist the citizen.

7

3. Foxcomm Termination Costs

The exact cost of the move, completed in early September, is still not available from Foxcomm. The previously estimate was \$24,600 before they include power and air conditioning costs at Calumet County. Brown County would be responsible for approximately 40% of these costs, according to the Termination Agreement negotiated by Attorney Fred Mohr.

4. Radio Consultant RFP

Purchasing received proposals from 12 consultants on December 30<sup>th</sup>.

The consultant selection committee of Police and Fire radio users, who will score the proposals facilitated by Purchasing, had their first meeting 1/5. That committee's goal is to submit its recommendation to the Public Safety Committee in February, unless additional time is required for consultant presentations. The role of the newly formed Board Radio Oversight Committee in this scoring needs to be defined.

5. Radio Interoperability Project

The Federal Communications Commission issued a "Public Notice DA09-2589" reminding Licensees of the January 1, 2013 narrow-band mandate. "Operation in violation of the Commission's rules may subject licensees to enforcement action, monetary forfeitures and/or license revocation"

A joint Police, Fire and EMS Radio User's Committee will meet again on January 7<sup>th</sup>. Six Fire Chiefs will make a trip to review and discuss the Bloomington, Minnesota radio system with that Fire Chief on January 18<sup>th</sup>.

6. Oneida Dispatch Change

We will begin work on the CAD changes required to implement making Oneida PD primary dispatch in the 1780 acre central area. After successfully testing the system changes on the training side of CAD, we will implement after a meeting with the affected law agencies.

7. Personnel

April Johnson was promoted to Lead Telecommunicator and Kory Wesaw from Oneida PD started with us as a Telecommunicator this week.

8. Overtime

The attached graph illustrates the tremendous job that our 911 Communications Center team has done by reducing overtime hours 67% since 2004, while handling 13% more incidents in that same period.

Regards,

December 28, 2009

Released: December 11, 2009

## LICENSEES, FREQUENCY COORDINATORS, AND EQUIPMENT MANUFACTURERS REMIND OF NARROWBAND MIGRATION DEADLINES IN THE 150-174 MHz AND 421- 512 MHz BANDS

This *Public Notice* reminds interested parties of the Commission's deadlines for private land mobile radio services in the 150-174 MHz and 421-512 MHz bands to migrate to narrowband (12.5 kHz or narrower) technology.<sup>1</sup> The Commission directed that a *Public Notice* be issued by December 31, 2009 reminding licensees and frequency coordinators of the approaching deadlines.<sup>2</sup> This *Public Notice* also provides additional information regarding the transition to narrowbanding technology.

### Key Deadlines

*Licensees and frequency coordinators* should be aware of the following deadlines:

- (1) beginning January 1, 2011,<sup>3</sup> the Commission will no longer accept applications for
  - new wideband 25 kHz (i.e., operating with only one voice path per 25 kHz of spectrum) operations, and
  - modification of existing wideband 25 kHz stations that expands the authorized interference contour (19 dBu VHF, 21 dBu UHF); and
- (2) by January 1, 2013, Industrial/Business and Public Safety Radio Pool licensees must:
  - operate on 12.5 kHz (11.25 kHz occupied bandwidth) or narrower channels, or
  - employ a technology that achieves the narrowband equivalent of one channel per 12.5 kHz of channel bandwidth (voice) or 4800 bits per second per 6.25 kHz (data).

<sup>1</sup> See Implementation of Sections 309(j) and 337 of the Communications Act of 1934 as Amended; Promotion of Spectrum Efficient Technologies on Certain Part 90 Frequencies, *Second Report and Order and Second Further Notice of Proposed Rulemaking*, WT Docket No. 99-87, RM-9332, 18 FCC Rcd 3034 (2003); Implementation of Sections 309(j) and 337 of the Communications Act of 1934 as Amended; Promotion of Spectrum Efficient Technologies on Certain Part 90 Frequencies, *Third Memorandum Opinion and Order, Third Further Notice of Proposed Rule Making and Order*, WT Docket No. 99-87, RM-9332, 19 FCC Rcd 25045 (2004) (*Narrowbanding Third Memorandum Opinion and Order*); see also 47 C.F.R. §§ 90.203(j), 90.209(b).

<sup>2</sup> See *Narrowbanding Third Memorandum Opinion and Order*, 19 FCC Rcd at 25057 ¶ 26.

<sup>3</sup> A petition seeking a stay of the January 1, 2011 deadlines, filed by the National Public Safety Telecommunications Council (NPSTC) on September 29, 2009, is pending. See Wireless Telecommunications Bureau and Public Safety and Homeland Security Bureau Seek Comment on National Public Safety Telecommunications Council Petition for Stay of Interim Narrowband Implementation Dates, *Public Notice*, WT Docket No. 99-87, DA 09-2364 (WTB/PSHSB rel. Nov. 2, 2009).

Equipment manufacturers should be aware that, beginning January 1, 2011, the manufacture, importation, or certification of any 150-174 MHz or 421-512 MHz band equipment capable of operating with only one voice path per 25 kHz of spectrum will be prohibited; and applications for equipment certification must specify 6.25 kHz capability.<sup>4</sup>

#### Additional Information

**How should licensees notify the Commission that they are in compliance with the January 1, 2013 deadline to migrate to narrowband or narrowband-equivalent technology?**

The answer to this question depends on how and when the station came into compliance.

Licensees of stations that already satisfy the narrowbanding requirements because their authorized bandwidth does not exceed 12.5 kHz do not need to take any action to notify the Commission that the station has met the narrowbanding deadline.

Licensees of stations that currently are authorized to operate with a bandwidth exceeding 12.5 kHz that are transitioning to 12.5 kHz or narrower operation must file a modification application to either add a narrowband emission designator or change the wideband emission designator to a narrowband emission designator.<sup>5</sup> The licensee will not need to take any additional action to notify the Commission that the station has met the narrowbanding deadline. Adding or changing an emission designator for an existing frequency does not trigger a new construction requirement, so the licensee will not need to file a new construction notification.

*Note: Many stations are or will be authorized to operate on their assigned frequencies with multiple authorized bandwidths, including both wideband 25 kHz emissions and 12.5 kHz or narrower emissions. It is not necessary for licensees of such stations to delete the wideband 25 kHz emission designator in order to demonstrate compliance with the January 1, 2013 deadline. Instead, absent information to the contrary, stations that were authorized to operate with both wideband and narrowband emissions prior to January 1, 2013 will initially be presumed to be operating only with narrowband emissions (i.e., that the wideband mode has been disabled) after January 1, 2013. (All equipment certified since 1997 has been required to have a 12.5 kHz operational mode. Licensees should check with their radio equipment vendor to determine how to ensure that the equipment is operating in the 12.5 kHz mode.) The Commission also will have discretion to inquire of licensees to verify that they are operating in compliance with the Commission's rules.*

Licensees of stations that currently are authorized to operate with a bandwidth exceeding 12.5 kHz that have complied or will comply with the narrowbanding deadline by adopting narrowband-equivalent equipment will be required to certify compliance with the deadline. This is necessary because it will not always be apparent from the license's technical parameters whether a 25 kHz station is a non-compliant wideband station or a compliant narrowband-equivalent station. We plan to implement this

<sup>4</sup> These 2011 deadlines applicable to manufacturers also are subject of the NPSTC petition for stay. The 6.25 kHz requirement does not apply to hand-held transmitters with an output power of two watts or less. See 47 C.F.R. § 90.203(j)(4).

<sup>5</sup> Currently, the Commission's rules require frequency coordination for a modification application that proposes to reduce the authorized bandwidth on the licensed center frequencies, see 47 C.F.R. § 90.175, but the Commission has sought comment on exempting such applications from this requirement. See Amendment of Part 90 of the Commission's Rules, *Notice of Proposed Rulemaking and Order*, WP Docket No. 07-100, 22 FCC Rcd 9595, 9596-97 ¶ 3 (2007).

certification requirement by revising a future version of the relevant application form for new, renewed, and modified station licenses to require licensees subject to the narrowbanding mandate to indicate whether or not the requested operations comply with the narrowbanding requirements. The Commission also will have discretion to inquire of licensees regarding existing licenses for which no such certification is received because the license was not renewed or modified before January 1, 2013.

**Will the Commission take any other action to remind licensees of the upcoming narrowbanding deadlines?**

Yes. In addition to this *Public Notice* and the measures discussed above, the Commission will in the near future begin placing a special condition on all new, renewed, and modified licenses for stations in the radio services and frequencies subject to the narrowbanding mandate to remind licensees of the January 1, 2013 deadline. The special condition will be removed from the license at some point after the licensee notifies the Commission that the station is in compliance with the narrowbanding deadline, as discussed above.

**May a station that does not meet the January 1, 2013 narrowbanding deadline operate after that date on a secondary basis?**

No. As of January 1, 2013, the Commission's rules will prohibit Industrial/Business and Public Safety Radio Pool licensees in the 150-174 MHz and 421-512 MHz bands from operating with wideband channels (unless their equipment meets the narrowband efficiency standard), even if the license still lists a wideband emission designator. Operation in violation of the Commission's rules may subject licensees to enforcement action, including admonishments, monetary forfeitures, and/or license revocation, as appropriate.

**Can previously certified multimode equipment be manufactured or imported after January 1, 2011?**

Yes, under certain circumstances. The equipment certification for previously certified multimode equipment containing a wideband 25 kHz mode will continue to be valid, and such equipment may continue to be manufactured and imported, only if the modes of operation are enabled primarily through software rather than firmware or hardware, and users are not provided with the programming software necessary to activate the wideband 25 kHz mode.

For further information, licensees and frequency coordinators may contact Mr. Melvin Spann of the Wireless Telecommunications Bureau, Mobility Division, (202) 418-1333, [Melvin.Spann@fcc.gov](mailto:Melvin.Spann@fcc.gov), or Mr. Zenji Nakazawa of the Public Safety and Homeland Security Bureau, Policy Division, (202) 418-7949, [Zenji.Nakazawa@fcc.gov](mailto:Zenji.Nakazawa@fcc.gov); and equipment manufacturers may contact Mr. Andy Leimer of the Office of Engineering and Technology, (301) 362-3049, [Andrew.Leimer@fcc.gov](mailto:Andrew.Leimer@fcc.gov).

January 20, 2010

AN ORDINANCE TO CREATE SEC. 30.08 OF THE BROWN  
COUNTY CODE ENTITLED "PAWN BROKERS AND  
SECONDHAND ARTICLE AND JEWELRY DEALERS"

THE BROWN COUNTY BOARD OF SUPERVISORS DOES ORDAIN AS FOLLOWS:

Section 1 -

Sec. 30.08 of the Brown County Code entitled "PAWN BROKERS AND SECONDHAND ARTICLE AND JEWELRY DEALERS" is hereby created to read as follows:

- (1) **PURPOSE AND STATUTORY AUTHORITY.** Section 134.71, Wis. Stats., is hereby adopted and, by reference, made a part of this chapter with the same force and effect as though fully set out herein notwithstanding the below Subsections. Failure to comply with any of the provisions of this ordinance shall constitute a violation of this chapter, punishable according to the penalties set forth in §1.07 of the Brown County Code of Ordinances.
- (2) **DEFINITIONS:**
  - (a) **Article.** Any item of value, excluding only motor vehicles, large appliances, furniture, books, and clothing other than furs.
  - (b) **Reportable Transaction.** Every transaction conducted by a pawnbroker, secondhand article and jewelry dealers in which an article or articles are received through a pawn, purchase, consignment, or trade, or in which a pawn is renewed, extended, voided, or redeemed, or for which a unique transaction number or identifier is generated by their point-of-sale software, and is reportable except:
    - (1) The bulk purchase or consignment of new or used articles from a merchant, manufacturer, or wholesaler having an established permanent place of business, and the retail sale of said articles, provided the pawnbroker must maintain a record of such purchase or consignment that describes each item, and must mark each item in a manner that relates it to that transaction record.
    - (2) Retail and wholesale sales of articles originally received by pawn or purchase, and for which all applicable hold and/or redemption periods have expired.

(c) Secondhand article dealer. Any person, other than an auctioneer, who engages in the business of purchasing or selling secondhand articles, with exceptions as stated in Wis. Stats. Sec. 134.71 (1) (g).

(d) Responsible Law Enforcement Agency.  
The Responsible Law Enforcement Agency (RLEA) is the entity with the responsibility to collect the data to be furnished by the pawnbroker, secondhand article or jewelry dealer pursuant to this ordinance. The sheriff shall notify pawnbrokers and dealers subject to this ordinance if the RLEA changes in the future.

(3) WHEN DIGITAL PHOTOS ARE REQUIRED.

(a) Pawnbrokers, secondhand article dealers and secondhand jewelry dealers must take a color, digitized photograph of every item pawned or sold that does not have a unique serial or identification number permanently engraved or affixed, excluding only electronic media. One group photo shall suffice for mass items such as several coins acquired in one transaction. If a photograph is taken, it must be at least two (2) inches in length by two (2) inches in width and must be maintained in such a manner that the photograph can be readily matched and correlated with all other records of the transaction to which they relate. Such photographs must be available to the RLEA upon request. Items photographed must be accurately depicted and submitted as digital images, in a format specified by the issuing authority, electronically cross-referenced to the reportable transaction they are associated with. Entries of required digital images shall be retained a minimum of ninety (90) days.

(4) DAILY REPORTS TO RESPONSIBLE LAW ENFORCEMENT AGENCY.

(a) Pawnbrokers and secondhand article and jewelry dealers must submit every reportable transaction to the Responsible Law Enforcement Agency (RLEA) daily in the following manner. Pawnbrokers and secondhand article and jewelry dealers must provide to the RLEA all required information pursuant to State Statute, by transferring it from their computer to the web server via modem designated by the RLEA. All required records must be transmitted completely and accurately after the close of business each day in accordance with standards and procedures

established by the RLEA using procedures that address security concerns of the pawnbroker or secondhand article and jewelry dealer and the RLEA. The pawnbroker or secondhand article and jewelry dealer must display a sign of sufficient size in a conspicuous place on the premises, which informs all patrons that all transactions are reported daily to the RLEA.

- (b) If a pawnbroker or secondhand article and jewelry dealer is unable to successfully transfer the required reports by modem, the pawnbroker or secondhand article and jewelry dealer must provide the RLEA with printed copies of all reportable transactions by 12:00 noon the next business day.
- (c) If a problem is determined to be in the pawnbroker's or secondhand article and jewelry dealer's system and is not corrected by the close of the first business day following the failure, the pawnbroker or secondhand article and jewelry dealer must provide the required reports as detailed in State Statute, and shall be charged a daily reporting failure fee of \$10.00 until the error is corrected, or, if the problem is determined to be outside the pawnbroker's or secondhand article and jewelry dealer's system, then the pawnbroker or secondhand articles and jewelry dealer must provide the required reports pursuant to State Statute and resubmit all such transactions via modem when the error is corrected.
- (d) Regardless of the cause or origin of the technical problems that prevented the pawnbroker or secondhand article and jewelry dealer from uploading, the pawnbroker or secondhand article and jewelry dealer shall upload every reportable transaction from every business day the problem has existed.
- (e) The provisions of this section notwithstanding, the RLEA may, upon presentation of extenuating circumstances, delay the implementation of the daily reporting penalty.
- (f) This subsection (4) shall not apply to businesses that did not have 200 reportable transactions in the past calendar year. However, any such pawnbroker or secondhand article and jewelry dealer must follow the daily reporting procedure for each reportable transaction by submitting a written transaction form approved by the RLEA to the RLEA on the business day following the date of the reportable transaction.

- (5) SEVERABILITY. If any section of this ordinance is found to be unconstitutional or otherwise invalid, the validity of the remaining sections shall not be affected.

Section 2 -

This ordinance shall become effective upon passage and publication.

Respectfully submitted,

PUBLIC SAFETY COMMITTEE
